APPELLATE APPORTIONMENT
COMMISSION

DEC 09 2011

The Honorable Robin Carnahan
Missouri Secretary of State
600 West Main Street
Jefferson City, MO 65101

Dear Madam:

When the senatorial apportionment commission failed to file a statement of reapportionment within the time prescribed by the Missouri Constitution, Article III, Section 7, the Supreme Court of Missouri appointed, by attached order, an apportionment commission composed of six members from among the court of appeals. The commission has developed an apportionment plan dividing the State of Missouri into 34 senate districts and establishing the numbers and boundaries of said districts.

Reapportionment was accomplished using 2010 census information reported by the U.S. Bureau of the Census in accordance with P.L. 94-171. In the event of any discrepancy between the census population descriptions and maps in the attached senate apportionment plan, the census population descriptions shall govern.

The commission originally filed a senate apportionment plan on November 30, 2011. By a majority vote of the undersigned commissioners, that apportionment plan is withdrawn and a new senate apportionment plan is hereby filed within the 90-day period allowed under Article III, Section 7.

Respectfully submitted,

Lisa White Hardwick, Chair

Judicial Panel Files Revised Senate Redistricting Plan

The Appellate Apportionment Commission has filed a revised state Senate redistricting plan and map with the Secretary of State. The revised plan was filed within the 90-day period allowed by the Constitution and replaces the plan filed on November 30, 2011. A majority of the Commission opted to revise the plan upon further consideration of a constitutional provision regarding multi-district counties, even though that provision may not apply to redistricting maps drawn by the appellate judges.

The Senate redistricting plan has an overall difference in population of 7.79% between its largest and smallest districts. The plan has four African-American majority districts.

Summary maps and demographic reports describing the new Senate districts are posted on the website: <http://oa.mo.gov/bp/redistricting>. Additional detailed maps and census descriptions filed with Secretary of State will also soon be available on the website.
